Be Strong

I believe that we will see
The goodness of the Lord appearing over our
ways, over our lives
I believe that we will see
The goodness of the Lord appearing over our
days, over our hearts

***Be strong - let your heart take courage
Though the winds around you blow you off
course***

***Be strong - stay with God the saving one
Who keeps on saying 'be strong'***

BRIDGE: It ain't gonna be easy no one said it
gonna be easy It ain't gonna be easy
But God said we can be strong [x3]

Chorus

END TAG:
Be strong, hold on Be strong, hold on Be
strong

Faithful

Faithful, faithful, faithful is our God (repeat)

I'm reaping the harvest God promised me
Take back what the devil stole from me
And I rejoice today for I shall recover it all
Yes I rejoice today for I shall recover it all

Imela

I will sing of the Lord's great love forevermore
With my mouth I will shout for joy forevermore

All the heavens sing (all of the heavens sing)
Sing of the things you do (sing of the things
you do)
Tell of your faithfulness
They proclaim that there's no-one like you

Ime, Imela, Imela, Imela

I wanna be in the light/Let you little light shine

I wanna be in the light as you are in the light
I wanna shine like the stars in the heavens
Oh Lord be my light and be my salvation
All I want is to be in the light oh oh oh
All I want is to be in the light

Hey, let your little light shine
Let your little light shine
For the world to see
